Whistler Creek, Whistler, BC

The best location is Sapporo Drive in Gondola Village - steps to the Gondola, shops, Whistler bike park and within minutes of several lakes and parks. This one bedroom, one bathroom Creekside condo is in immaculate condition and would be a fantastic full time home, vacation spot or rental property. The property features a full kitchen, updated flooring, new paint and vaulted ceilings. Large windows in the living area allow plenty of natural light in, and the wood burning fireplace is a perfect addition to make the place cozy and warm through the winter. Nightly rentals are permitted in this complex, and owners tend to do quite well with consistent bookings through the summer and winter seasons.
